MBL Advisors Fantasy Golf League for Charity Winners

MBL Advisors would like to congratulate the winners of its Fantasy Golf League for Charity. It has been a great season and we look forward to more fantasy golf in 2016.

Each golf championship winner selected a charity of their choice to receive a matching charitable gift from MBL Advisors.

The season-long winner was Mr. Robert Deaton. Robert finished the season with \$13,032,078 in winnings. Robert selected the Physicians' Impact Fund to receiving his matching charitable contribution.
